

WEDDINGS

My most common package is based on an 8hr day of photography and starts with the Bride getting ready & runs throughout most (if not all) of the reception.

Package Contains:

- 8hrs of Wedding Photography
- Myself & a shooting assistant
- All images fully edited in a varitey of color & black+white
- Online hosting with full-size downloads (at no charge)
- All reprinting rights

\$4300

ENGAGEMENT

One of my favorite pieces of photorgaphy is the engagement session!

There's no better opportunity to meet your photographer, establish some trust and build a bit of confidence in front of the camera.

Of course everyones needs are different, so I'm happy to offer my engagement sessions on an "as-needed" basis.

For those reasons the engagement session is an al-la-carte option & can be added to your package at anytime!

\$300

ALBUMS

Lets stop reliving your wedding day through Instagram & Facebook.

Modern wedding albums have been making a strong comeback & they are BEAUTIFUL!

The Package albums includes:

- 10 pages (20sides)
- 9x11 or 10x10 sizes
- Customizable front cover image
- Full wrap canvas front cover (leather upgrade available)
- Flush-Mount (no center seam between pages)

\$600
