Meet Michelle

YOUR PHOTOGRAPHER

I'm a fun loving midwestern girl from Toledo, Ohio currently living in beautiful, sunny southern California. I married my college sweetheart and we have the most romantic story of how we met. After three weeks of knowing each other, we just knew we were meant only for each other. My husband and I have five super sweet and amazingly talented kids. I am a major romantic at heart. Hallmark movies are my weakness!! Oh, and if you ever want to get sushi, I'm totally in.

I am inspired by art history and how every development in art has affected not only art itself, but also the innovations of technology as well. Photography is my way to create. With my background in art and design, your photographs are sure to blow your mind. I photograph with true skill and enhance them with design mastery and a bit of compositing.

When my husband and I got married, we hired a photographer who promised us the world and his portfolio seemed well enough. We were so excited to see the result of his work, but we were sorely disappointed. There wasn't a single image in all the rolls of film that we liked, even just a little bit. From this experience, I have made it my mission to deliver not only an amazing experience for my brides and grooms, but I promise you the most amazing photos you'll cherish for your whole lives together.

I would love to share my passion for photography with you! If this is what you are looking for, I am eagerly waiting for your call. I would be honored to be there for you!

Love Always ~ *Michelle*

I CAN'T WAIT TO MEET YOU!!

It has been my privilege to capture some of the most amazing moments for my many clients. On your wedding day, I also help facilitate movement of events if there is no wedding planner available to make sure your day is perfect.

Michelle Howell Design has been a labor of love. I started my company in efforts to help support my growing family. As I have done so, I have been blessed in capturing the growth of families from the very beginning to those monumental moments that matter in the life of your family.

I love what I do, but I only take a limited amount of bookings per month. This is to ensure that I give full devotion in editing your images to perfection. It is my mission to document, create, and capture every tender moment. Please do not hesitate to reach out. I would love to meet you and your fiancée.

**IT WOULD BE MY HONOR TO SERVE YOU.
LET'S GET STARTED!**

THE EXPERIENCE

BEFORE THE WEDDING

We will meet and get acquainted with one another. You then will tell me what it is you are looking for and what you would not like included in your photographs. I then will go over the packages available with you. You will pick and choose services at this point.

THE DAY OF THE WEDDING

I will arrive 30 minutes before our contracted time and get a feel for the space and get all of my equipment in order. Noting everything you expressed in our previous meeting, I will photograph everyone and everything on your list. I will also be on hand to help when needed if you do not have a wedding planner on hand.

DIGITAL IMAGES

After the wedding, you will receive a flash drive with the most beautiful images you can dream of taken on your wedding day. Remember, I have a background in art and design. Frequently Asked Questions

WHERE CAN WE GO FOR OUR ENGAGEMENT SESSION?

I am willing to drive wherever you want for your engagement session. If you have a spot in mind, let me know and we can plan accordingly. I want you to have the photos of your dreams! Let's make it happen.

WHERE DOES THE NON-REFUNDABLE DEPOSIT GO?

The non-refundable deposit is 10% of your session total with all the extras. This amount will be subtracted to the total price of your package. It is also the place holder for the time set aside for your wedding.

HOW LONG DOES IT TAKE TO GET OUR PHOTOS BACK?

Because I do so many sessions a month from weddings to portraits, I try my best to get your photos to you as quick as possible. Not to worry, I may send you little snippets here and there because I know many of you just can't wait to get a sneak peek. At most, it may take up to two weeks.

WHEN IS THE BALANCE DUE?

The balance of your contract is due 10 days before the event date. You may make payments from the time we sign contracts to the 10 days prior. I do this because it's something less you have to think about on your wedding day and I make sure that I will be getting paid for all the time I am devoting to your special day.
