See What Our Couples Have to Say:

"Kari did an amazing job as our officiant! She is a very genuine person and went above and beyond to help and check-in on us throughout the wedding planning process. She tailored the ceremony to suit our needs and gave us great inputs to make it more special than what we initially envisioned. She is responsive, accommodative and pleasant to work with. She was also quick to organize and deliver our marriage certificates soon after the ceremony. Would definitely recommend Kari to anyone who is looking for a wedding officiant!"

-Niv K

"Kari is very professional and she gave her 100% to plan the wedding. Her work is top-notch, great event manager. She found us a very beautiful venue, arranged the flowers, a excellent

photographer for the wedding. She made everything so smooth and put her personal touch in everything. I will highly recommended her to anyone. You will not just find her work helpful but a friend who cares about your well-being. If you are planning for wedding you are just one call away."
