2019 PRICING GUIDE

Hello there!

I AM THEWANDERINGB

DREAMER, ADVENTURER
& LOVER OF LOVE

It's great to meet you! Well, kinda meet you! Hopefully we can meet face to face sometime soon! Until then - here is a little bit about me. My name is Bea - I am french - moved to the US about 10 years ago and finally got my US citizenship in Jan '19! I am a hawaii based photographer who enjoys rainy days, long road trips, dragging my cat to the beach (yes really). I am obsessed with cartoon and breakfast foods. I enjoy spending time with the love of my life and my fur babies - of course friends and family when we go on any kind of adventure! But I am just as happy binge watching netflix covered in blankets! I have always been in love with photography - it wasn't until 2017 that I decided to take the leap and create my own business! I strive for my photos to create a unique blend of timeless-genuine-adventure. i strongly believe that the way to tell your story is through *natural*

and emotional images! This is what you will hang on your walls. This is what you will show your family. This is how you will remember it. and dang it. that's pretty freaking awesome. Anywaaaaay - I am so thrilled you are considering me for your special day! Truth is your wedding is one in a lifetime occasion - the two of you are about to start the most challenging, rewarding, exciting, life changing experience of your lives together! And choosing someone to capture your day through photography - it's a big deal! It's important to find someone who's work you love. But I believe it's just as important you find someone who will bring out the best of who you are in your photos! Afterall - your wedding day is meant to be an amazing celebration - you probably want someone who is fun to be around! I hope this guide gives you an idea of my style and who I am!

frequently asked questions

HOW WOULD YOU DESCRIBE YOUR STYLE?

If i had to choose 3 words to describe my style it would be : **timeless, adventurous and candid**. However, how I shoot is so much more than that! I thrive on that real life connection between people in love and capturing -that- that's my style.

DO YOU HAVE INSURANCE?

Heck yeah I have insurance! I want to make sure that we are all protected :)

WHEN WILL WE GET ACCESS TO OUR ONLINE GALLERY?

If you are anything like me - waiting is the worst! Which is why I try to not make you do it! I will send you some sneak peeks within a week after your beautiful day and your gallery within 4-5 weeks!

WHAT EQUIPMENT DO YOU USE?

I use professional digital cameras and lenses from canon. I always carry both backup cameras and lenses, as well as extra memory cards, flashes, batteries ,etc. My gear is well maintained and updated alto ensure you receive the highest quality photographs!

DO YOU TRAVEL FOR WEDDINGS?

YES! YES. YES .Um, can I say yes enough?! I love to travel every chance I get and weddings are no different! since I am located on the Big Island of Hawaii any wedding located on any other island will have to include a flight and travel feels! Now - do I travel internationally? Heck yes! Travel is a passion of mine and I would love nothing more than to capture your special day as well as making it an adventure! There is a “destination” package but it is more focused towards international travel! However you are more than welcome to ask for me to create a custom package for you!

DO WE NEED TO FEED YOU AT THE RECEPTION?

If your wedding is more than 4 hours I do ask that you provide a vendor meal. just so that I don't pass out.

DO I NEED TO ORDER PRINTS THROUGH YOU?

Nope! You can if you want but I give you the print release, which means you can choose where and when you want to print your photos. I also offer prints through my business and discounts on products ordered the first 30 days after I deliver your galery!

What to Expect

CONSULTATION

Alright, you think you might be ready to book, or maybe you've already book (yay) either way - let's hang out!

I don't want to sound creepy here, but we're going to be friends now! it's already set. i love getting to know my couples beforehand! whether we meet up for coffe or a gin & dry lemon (my personal weakness) or even just over skype. The consultation allows us to not only get comfortable together, but gives you a chance to go over any question you might have and we can go over the super fun wedding details!

CONTRACT & BOOKING

Yaaaaaaay! You two are ready to book! In order for me to officially become your wedding photographer I require a 30% deposit to be paid before I lock in the date for your wedding. I'll also send you a contract to sign (don't worry - it's not that scary). I ask that the couple is the only party involved in this process. If, for instance, someone else will be paying (how wonderful of them!), they need to pay you and in turn you will pay me. Once the contract is signed and the retainer is paid - BOOM. We can start the party!

XOXO
