In order to make the calligraphy process run smoother; please follow the following:

1. Order **20-25** extra envelopes per every 100 invitations. (inner and outer envelopes).
2. Please mail me a typed list in a Word document. The font size should be size 18 or 20 Times New Roman or Arial. The list should be formatted in one column only. I find that when the addresses are 18 or 20 points in size, and only four or five per page, I make less errors. This format makes the calligraphy and the proofreading process go much smoother. I do not work from Excel Spreadsheets.
3. Please make sure there are two spaces between the addresses.
4. Please do not use any abbreviations. Spell out all names, street, city and state. Do not use the ampersand.
5. The best way to set up your list on a word processor would be:

Mr. and Mrs. Wayne Yoda  
2008 Tally Ho Drive  
Wall, New Jersey 07719

6. Please email your list to me. [jyoda@atouchofink.com](mailto:jyoda@atouchofink.com)
7. You may call or text me at (732) 556-0167.
8. Please do not call before 8:00 AM or after 10:00 PM.
