

A close-up photograph of a man and a woman laughing together. The man is on the left, wearing a white button-down shirt, and the woman is on the right, also wearing a white top. They are both smiling broadly and looking down. The background is a soft, out-of-focus outdoor setting with light-colored walls and a railing.

KORTNI + CHRIS PHOTOGRAPHY

# Hey There, Sweet Bride to Be!

We are Kortni and Chris, wedding photographers, college sweethearts, and parents to three little girls ages 5 and under. (Yes, we're crazy.)

Kortni is the baker. Chris is the cook. Kortni is a planner. Chris is the spontaneous one. Kortni is a morning person. Chris is a night owl. Kortni loves sweets. Chris loves sour.

We are opposite in so many ways, but in the big important ways we are exactly the same.

We love Jesus, love our family, and love people... especially our clients. We get this incredible opportunity to capture moments in time that you can never get back and preserve them forever - so when your grandkids look at your pictures, they will be able to SEE your love for each other.

We believe a legacy of love is **POWERFUL** and one of the greatest gifts you can give your family. As a #kortniandchriscouple, we can help you start that legacy right NOW.

## *Hear what our past brides have said...*

I cannot say enough about Chris and Kortni! They are so professional and go above and beyond just taking great pictures. They made our day so perfect! Our engagement and wedding pictures turned out better than I could have imagined! I am so thankful we chose them to capture our special day! -Kelsey

Kortni and Chris are simply AMAZING! We chose to do a destination wedding, and it only felt right to bring them along with us! We had absolutely no idea what to expect and were definitely unorganized and stressed. Kortni helped with more than I could ever begin to thank her for, and every moment was captured perfectly. We could NOT have asked for more! -Leah

From the moment we met them, my then fiancé and I knew we wanted Kortni and Chris to capture our big day. They were kind, professional, and extremely down to earth. Kortni put together a wedding timeline that helped keep our evening organized and on schedule, which was a huge load off our shoulders. Our photos are stunning and we recommend them to everyone we know! -Geneva
