Sailing Cruises and Special Events from Yorktown's Riverwalk Landing

2015 Wedding Charters

Set Sail into your new life together!

Both Serenity and Alliance are available for Private Charters. The Schooners make a wonderful venue for a special wedding! Alliance can carry a maximum of 49 guests and Serenity can carry a maximum of 24 guests. Charters can be customized with catering and bar options. Catering options range from box lunches to heavy Hors d'oeuvres. It is not possible to do a plated sit-down dinner on board the ship. The food is set up buffet style on deck and is finger food – cocktail style. Our catering menu can be emailed upon request. For bar options you can have either a Host Bar where you pay the bar tab at the end of the cruise, or a cash bar where your guests pay as they drink. You may also choose the Bring Your Own option for food and drinks for an additional fee of \$100 (\$50 for Serenity). We do not sell hard liquor, only beer, wine and champagne. Our prices are as follows: beer \$3/\$4, wine \$7, soda and bottled water \$1, and champagne \$28 per bottle (5 glasses).

The biggest concern people have with a wedding charter is the chance of inclement weather. In the event of stormy weather it is advisable to have a backup plan. Some suggestions for a backup location would be to book the banquet room at the Riverwalk Restaurant for your dinner reception, or the Watermen's Museum Carriage House. The Hornsby House Inn on Main Street is a wonderful reception location! The Freight Shed at Riverwalk Landing also is available for wedding receptions but it books up very far in advance. If you live in the area you may be able to use your home or your parents home, or your church as a backup plan. Please note if we have to cancel your cruise due to stormy weather you will get a full refund on the charter minus the \$150 (\$100 for Serenity) non-refundable booking fee. See below for our charter rates and contact information.
