UNVEILING EMOTIONS FROM THE
MOMENTS THAT GROW MORE
BEAUTIFUL WITH TIME.

THE EXPERIENCE

I truly cherish this unique way that I have been given to not just tell your story, but to LISTEN to your story. I seek to capture images that are filled with true emotions and moments that naturally happen when two people are in love. So, if you're looking for a photographer to document who you are as a couple, then I'm your girl.

I believe that we all are given such unique ways of loving one another and I want your photos to rein true to who you are.

Ultimately, my love for the Lord is the purpose behind what I do. I seek to serve others with the gifts God has given me and love everyone with open arms, as Jesus did. I believe every love story is beautiful and worthy of celebration. And I'd be honored to help you document yours.

FREQUENTLY ASKED QUESTIONS

Q- IS THE DEPOSIT REFUNDABLE?

A — In order to honor other brides who may have inquired about the same date & because this is my full time job + how I make my living, the retainer is non refundable. The retainer fee is 50% of the total balance.

Q- WHAT IS YOUR TURN AROUND TIME?

A — Your previews from your wedding will be delivered on the Monday following your wedding! So you can beat your guests to the punch with their blurry iphone photos! The final gallery will be delivered in 8-12 weeks!

Q- WHAT DO YOU SHOOT WITH?

A — I shoot with two Sony Alpha iii's! I always have two camera's on me at all times the day of your wedding! I use a 35mm 1.4 lens on one of my cameras & a 50mm on the other for detail shots!

Q- HOW MANY IMAGES CAN WE EXPECT IN OUR GALLERIES?

A — I varies from wedding to wedding and session to session. But an engagement session typically 100-200 images. & a full wedding gallery anywhere from 600-1000 images! Depending if you have a second photographer or not!

Q- DO WE NEED A SECOND SHOOTER?

A — I do not require one, but MAN they are so helpful. I always say it's like shooting two different wedding because you get some many different angles & shots! Not to mention I am only one person so if I have to use the restroom & granny breaks it down on the dance floor a second shoot you have a greater chance of getting that shot!

Q- WHAT DO YOU MEAN BY "FULL DAY" COVERAGE?

A — I never wanted to be a photographer that made my couples pick if they didn't want the beginning or the end of their day captured! SO I do not make your pick! I am there from when you're getting ready to when you exit. After all you only get married once!

Q- WHAT DO WE DO IF IT'S RAINING AT OUR ENGAGEMENT SESSION OR WEDDING?

A —First off, don't panic! This happens! If you engagement session looks like rain we will most likely reschedule for some sunshine!

If it rains on your wedding day I will go above & beyond to make sure your wedding photos are nothing short of beautiful. I'll look for some covered spots & we can also use super cute clear umbrellas. If you're not afraid of a little rain be prepared for straight magic!
