## *About Our Photo Booth*

The Candid Detroit Photo Booth offers the latest in photo booth technology. The integrated Canon T5i DSLR camera takes vibrant, high-quality photos and videos and our high-speed printer efficiently produces beautiful prints for you and your guests. Our industry-leading software is user-friendly & highly configurable: we can customize every aspect of the printouts and onscreen components to make your event completely unique. The Candid Detroit Photo Booth has an extremely small footprint and its sleek, modern design integrates well with your event floorplan and decor. If you want the best technology in an attractive package that will create memories for a lifetime, you've come to the right place.
