A GUIDE TO YOUR SPECIAL DAY

# My Style

My style is bold, dreamy, and moody, yet still vibrant. I aim to capture connection, authentic emotion, and the memories you'll always want to remember. My goal is for you to relive each and every moment as you look through your photos – the laughs, the tears, and the wild fun. I want to illustrate your day into a beautiful story that you can feel all over again.

# The Experience

If you're anything like me, you'll want to know exactly what you're in for. I know how important this process is for you and I need you to know that I'm here for you. This is so much more than just a few nice photos, this is your true love documented for LIFE and I want this to be an experience you'll treasure forever. I'm here to work for you but I also hope that we can become great friends at the end of it all. Here are some things that are important to me on this journey together.

## 1. Getting to know one another.

This is HUGE for me! I want to know all about you and your person. I also want you to know and feel comfortable with who you're working with. I will be alongside you on this special day and it's important that you enjoy who you're spending it with! Whether it's me or not. So please, share with me. Share your life story, what brought you here, what makes you YOU. Getting to know you and your story helps me to illustrate that through my lens. I want to vibe with you, I want to have fun with you, and my biggest hope is we bond over creating together.

## 2. Being there every step of the way.

From your engagement shoot to the little details of your wedding and your must-have moments. I'm here for it all. For every question or any setback, ask me and let's figure it out together. I may be a photographer but I also hope that I can make this whole wedding planning process a little easier and more enjoyable for you as well.

### **3. Your trust.**

Your trust is everything to me and I want you to feel confident in taking me on as your photographer. I know how hard you work for your money and I also know how precious this day is to you. This is a huge liability and I hold that dear to my heart. Please understand, I don't want you to book me just to get this task out of the way. I want you to book me because you completely trust that I will execute your vision the way you hope. If you do this, I promise you magic will happen!

### **4. Going above and beyond.**

As your photographer, you are always my priority. I'm here to have a good time with you but I'm also here to SERVE YOU. This is your day and you deserve to enjoy and feel each moment, stress free. From planning to finalizing all the details, even taking deep breaths with you before you step down that isle! I'm here for you in all ways possible.

### **5. The memories to last.**

Last but definitely not least, your memories. All of this leads to the memories you'll keep. As the years go on, photos are what you'll have to cherish for generations to come, to relive the day, to feel all the feels again. Your memories matter most and I want you to look back on your photos with absolute joy.

# Frequently Asked Questions

## **Where are you based and do you travel?**

I am based out of Kailua-Kona, Hawai'i. YES I do travel and would be so honored to be wherever you want to celebrate your day! There is an additional travel for outer island and nationwide locations. Please contact me for a custom quote.

## **What is considered an elopement?**

Eloperments are intimate weddings, including less than 25 guests. It is mainly focused on the ceremony of the bride & groom, with no traditional wedding reception.

## **How soon will we receive our photos?**

I know how anxious you might get waiting for your photos. A sneak peak gallery is given within 7 days after your wedding! This is an online gallery given to you with downloadable, high resolution images. Share your special day with your family and friends!

Final galleries and digital files are ready within 4-8 weeks after the wedding date, depending on the package you've chosen.

## **Can you hold the date for me?**

Unfortunately, dates cannot be put on hold. The best way to lock in your date is a paid retainer fee and signed contract. However, once the deposit is made and contract signed, you're locked in!

## **What happens if we have to cancel/reschedule?**

If for some reason you will have to cancel or reschedule, the retainer fee is non-refundable. You are allowed to use the paid retainer fee toward another date, if available. Please forgive me as I am not trying to steal your hard earned money. The reason for this is simply that once your date is reserved in my calendar, I am counting on that income to help pay for bills that month. I've also most likely had to reject other requests for that date.

## **Can we request raw images?**

Sorry, unfortunately I do not provide raw files to keep the integrity of my brand and artwork. All digital images are carefully selected, professionally processed, and provided to you in full resolution. It's my greatest hope that you are hiring me with your trust in my artistic abilities.

## **Do you include consultation calls?**

1000% yes. I love doing consultation meet-ups or calls. Let's grab a cup of coffee , get a bite to eat, or have a glass of wine to chat about your big day. I LOVE getting to know my couples. Consultations are included with every collection and highly recommended for every couple. This helps me to better serve you also!

## **We're ready to book. What's next?**

Whoop whoop! Let's do this! When you are ready, a 50% retainer fee and signed contract is due at the time of booking. The remaining balance is due 1 month before your wedding date. Payment plans are also available upon request!

Let's  
get you  
married!
