

THE PRICING GUIDE

CELINE LEINA PHOTO

YOUR LOVE ON DISPLAY

HELLO THERE

I'm Celine.

I'm a traveling Elopement and Destination Wedding Photographer based out of Atlanta, Georgia shooting on both digital and film! Over the years, I've grown to become so in love with capturing stories and moments in still frames that you can look back on over and over again.

I'm a daydreamer and a hopeless romantic. I'm always looking for perfect moments to capture between the guests at your day, and for the perfect light to set you in for the portraits you always dreamed of having taken.

I have a passion for creativity, sustainability, soft light coming through large windows, yellow couches, and learning what makes people smile the most. I don't want to just be your photographer—i want something that's going to last long after the wedding day is over. I want to us to dance our asses off, sing super loud together, and then grab coffee 3 months later to talk about life.

WHAT TO EXPECT

My style

I'm a photojournalistic photographer with a passion for finding all of those small, in-between moments that mean the most when you look back on your day. I love real moments, real colors, and all things art. I also love taking an editorial approach to all of our portraits together, and don't worry, I'll guide and help pose you through the whole thing!

How booking works

Once you've decided you'd like to book with me, I love having a phone to zoom call meeting to talk through the details of the day, and to make sure we're going to be the best match! Then once you're officially decided that I'm who you want to hire, I'll send you over a contract and collect a 20% non-refundable retainer to secure your date.
