

## First Class Sound & Light of Indianapolis Price Sheet

### **Reception Entertainment \$900**

*4 hours of entertainment that includes a music & a sound system for up to 200 guests (additional sound is available), dance floor lighting, wireless microphone, and of course your DJ & MC.*

*This time period can include music and entertainment for dinner, cocktail hour, dancing, and all formalities. Your DJ will also show up at least 2 hours early for setup. (Additional Hours can be added for \$100 per hour)*

### **Ceremony Entertainment \$400**

*We will provide the music of your choice for your ceremony as well as a speaker and a wireless lapel mic for the officiant. We can also provide an additional handheld microphone for any readings.*

*We can provide a 100% battery powered ceremony there isn't a power source nearby.*

### **Mirror Photo Booth \$600**

*Our touch screen Magic Mirror Photo Booth is 5 ft. tall and is animated. You get a custom welcome screen on the mirror and a custom overlay on the printed photos.*

*Your guests will have a photo to take home with them and the mirror will text them their photos as well.*

### **Uplighting \$200**

*16 battery powered dmx controlled lights spread throughout the room to any colors you choose. The lights are completely customizable. You can use the color theme from your wedding up until open dancing and then switch it to dance mode where they will change with the music.*

### **4k Video Booth with Digital Monogram \$200**

*The DJ Booth will have 4K TV on the front of it with a digital monogram or customized image/slideshow/video of your choice.*

### **Custom Audio Edits from \$100**

*We can edit multiple songs together in a medley or overlay a recorded message from someone over a song.*

## **Packages**
