

Redeeming Hills

King-Size *Comfort*

A Picturesque *Paradise*, and a Place to *Rest*

This beautiful 5,400 square foot estate on 100+ acres has 6 bedrooms, 5 of which are master bedrooms. Nestled among fields of Tennessee farms, the Redeeming Hills Estate is isolated from city noise so travelers can experience true serenity. Perfectly planned, this home sits quietly half a mile off the road at the end of a long, tree-lined driveway

with 300+ acres of expansive views and the green rolling hills of middle Tennessee.

An authentic country experience is waiting at Redeeming Hills. There's truly nothing like the peace and quiet of farm life to help guests completely unwind and remember what matters most.

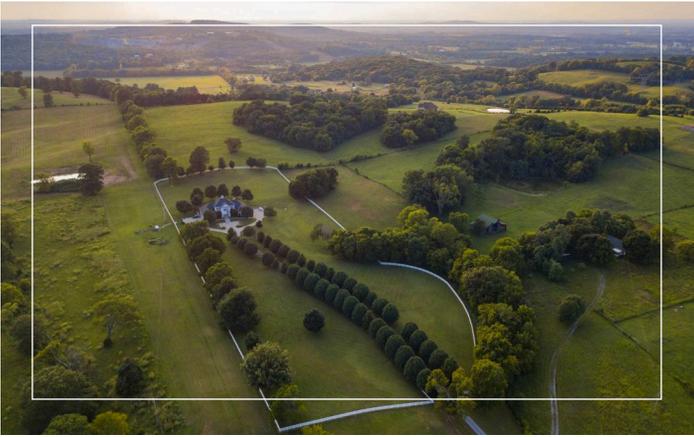

Serenity

Everyone has a “theme” that they use when they develop a unique and elegant vacation facility, and ours is Serenity. We want friends and family to have an escape from their busy lives that helps them reset for a while, clear their minds, and put the “create” back in recreation. If we accomplish that, we have done our job well.

MEMORABLE EVENT VENUE SITE

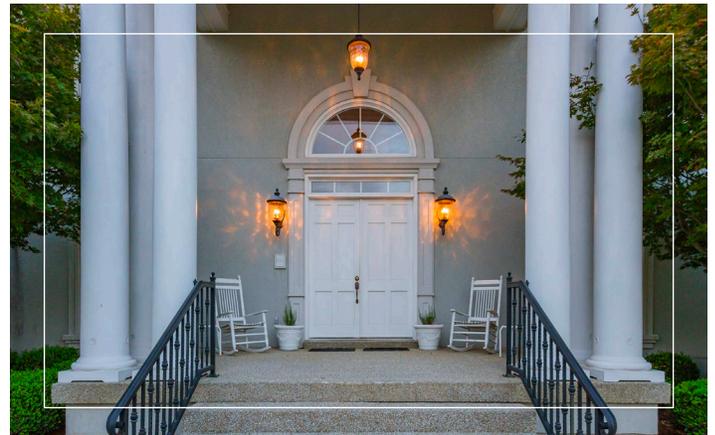

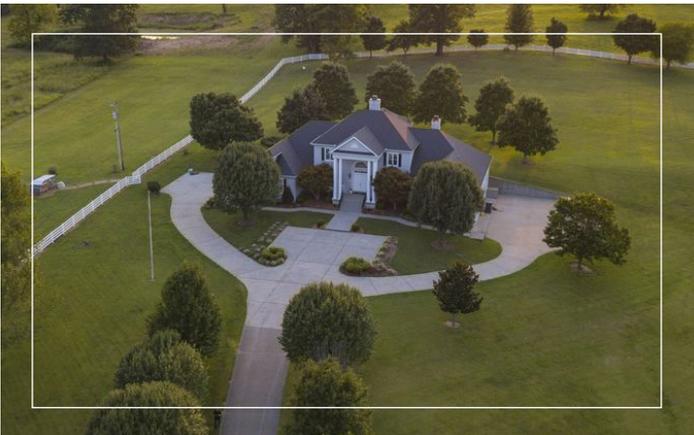

for Purposes of all Kinds

- ✓ Flexible Lodging Capacities
- ✓ Family Reunions
- ✓ Church Retreats
- ✓ Business Getaways
- ✓ Rehearsal Dinners
- ✓ Beautiful Wedding Pictures

Even though you will feel like you're a million miles away from city life, Redeeming Hills awaits your farm-life adventure just 25 minutes east of the Nashville Airport.

With multiple outdoor patio locations each with great country views and pristine surroundings. This will make for some wonderful memories and excellent pictures.

The beautiful rolling hills near Nashville have become popular for weddings and other events. We provide the perfect setting for a vacation experience nearby it all.

We invite you to escape the city life and come explore this elegant yet simple country family estate without having to travel too far from all the action.

Flexible Lodging Capacities

- ✓ Main house: up to 12 guests
- ✓ Additional apartment: 4-6 guests
- ✓ Second home: space available onsite
