- **Silver Wedding Reception DJ & MC Package: \$1299.00**

Includes up to 4 hours of DJ & Emcee services, (2) loudspeakers and (1) wireless microphone for reception. This is our most affordable wedding package yet all of the basics are covered and you will still get all of the high quality service, music and emcee services as you would with any of our other packages. We don't just play music, as your DJ/Emcee we will handle all aspects of your wedding entertainment to insure everything goes smoothly. We will do announcements, introductions, get your guests involved and make sure a good time is had by all. We will work with you weeks in advance to create a custom timeline of events for your wedding as well as work in any music requests you would like to have incorporated into your wedding. Basic LED dance floor lighting is included. Ceremony can be added to any package (nominal fee may apply)

- **Gold Wedding Reception DJ & MC Package: \$1599.00**

Our most popular package

GOLD includes everything from the Silver package but with one additional hour of service for a total of 5 hours. Also included is the addition of "PC controlled dance floor lighting". We are one of only a few mobile DJ's who use computer controlled lighting consisting of multiple LED moving head lights and LED effect lighting. DMX lighting is the same technology used in many of the night clubs and concerts but of course we use a scaled down portable version. We can create light shows and color schemes custom tailored to your event. Our dance floor lighting package is sure to WOW you and your guests. Ceremony services can be added to any package.

- **Platinum Wedding Reception DJ & MC Package: \$1899.00**

PLATINUM includes up to 5 hours of DJ & Emcee services and an LED up lighting package which consists of up to 12 led up lights to add color to your event. Up lights can be a single color or a variety of colors to suit your needs. Up lighting is computer controlled and can be changed on the fly. Additionally you have the option of a pair of 18" subwoofers or basic ceremony service. Everything in the above silver and gold packages are also included with this package. All of our wedding packages are custom tailored for each client/wedding. Packages are all priced for up to 125 guests.
