We're so happy you have chosen The Cutting Garden to provide beautiful flowers for your special day! Before we get started, I just wanted to give you a few details about how we work and what we offer, so that we can ensure the planning process goes as smoothly as possible.

### THE CONSULT

When we do Weddings and Events, we like to sit down with you to go over every aspect of your day. I would plan on at least an hour to show us your color palette, design inspirations, etc. This initial consultation is free of charge. If a face to face consultation does not work, I can work via email or texts too. Call us at 920.609.7272 or email us at [thecuttinggarden@att.net](mailto:thecuttinggarden@att.net) to set up your consultation today!

### INSPIRATION

We understand that you have gone through a great deal of planning to come up with a color palette, but now you may be stuck coming up with ideas for your flowers. Do not worry! That's where we can help. We have lots of experience and have lots of pictures on the website and our Instagram feed of work that we have done in the past. Pinterest is also a great source of ideas for your wedding. Bring those great ideas with you! We will customize a look just for you!
