

Custom designed wedding gowns are the ultimate personal creation. You and Kathy can work out what you're looking for and she can give you a working estimate at that time. Gowns in the past have ranged between a very simple chiffon gown for \$500 to a more ornate gown at \$2500.

Bridesmaid dresses, flower girl dresses, ring bearer suits and pillows, ties, vests, shirts, MOB dresses, monogrammed linens, embroidered gifts - these are all things Kathy can create for you!

### **ALTERATIONS**

Kathy will consult with you over the phone or by email, but there is no way to get an accurate alterations estimate without a face to face meeting where she can see your dress(es) or garments and assess what work is necessary. Factors include type of fabric, amount of beading, type of construction, type of lace work, etc. She will come to your home or meet you at a public place.
