HEY THERE! WHO AM I YOU ASK?!

let me tell you

My specialties are weddings and boudoir, yet I am a passionate photographer of all things!

I currently reside near the sandy beaches of Huntington Beach, California and I travel frequently to a variety of locations as a wedding photographer. As a girl who simply “loves love,” it is my greatest joy to capture special moments in time that will become someone’s memory forever.

I’m all about cultivating relationships with my clients; I want you to feel the warmth of my friendship and care, not simply a work-for-hire. Great photography emerges from cultivating a bond together and reveling in the meaningful moments that arise. I’m honored to create such unique memories for lovers that will last a lifetime by hearing your story and using my camera to capture the magic.

I am never just your wedding photographer...not only do I capture the day, I’m also happy to support you through the whole wedding planning process and enrich your special, one-of-a kind connection. It’s your special wedding! Allow me to help keep a smile on your face!

TIME TO SECURE A DATE!

THE SOONER YOU BOOK YOUR WEDDING
PHOTOGRAPHER *the better*

Let me tell you why...

...The food will get eaten, the flowers will wilt, and the details will soon be forgotten. So, the key element that will capture and preserve your favorite memories is of course, your wedding photographer! When you retain my services, you're not simply hiring a photog. You're investing in me as a professional artist. And you are the canvas! The images I capture are treasures to be passed down and admired for generations. Your love story will live on indefinitely.

Time is of the essence.

I limit the number of weddings I take on per year. Each of my valued clients receive my full attention. Whether you have questions about locations or venues, picking out your dress, hiring a florist, a coordinator or anything in between, I'll help you create an environment that minimizes stress and focuses on the joys of getting married.

BUT WAIT, WHAT'S SO GREAT ABOUT AN ENGAGEMENT SHOOT?

this is where the magic begins!

This is actually where the magic begins!

Not only are engagement shoots one of the best ways for us, as client and photographer, to bond, but it's a great way for you and your fiancé to get comfortable in front of the camera.

You might ask, "What I will use these photos for?" These photos offer fabulous content for creating a gorgeous and unique engagement announcement and/or a 'save the date' invitation. My very favorite reason is; it's a great excuse to get all dressed up and take some epic photos!

I've included the gift of an engagement shoot with every wedding package because I want to ensure you have every opportunity to document and fully embrace the beauty of your love.

Looking to upgrade your engagement shoot to a full adventure shoot? I say yes to that! All wedding and engagement packages can be upgraded with multiple add-ons! Whatever you envision, I'll deliver with precision. Let the ADVENTURES begin!

LOOKING TO ELOPE?

Capture Your Love Getaway in Style...

Eloperments are a great way to celebrate your special day with simplicity. Less guests, less logistics to worry about and more time to enjoy the moment of saying "I DO" with your love!

While I absolutely love weddings, there's something very sacred about you and your soulmate skipping the big show and uniting together in an intimate ceremony! If you're dreaming of a mountaintop elopement, I'll hike that mountain with you and hold your dress while doing so!

If you're looking to travel to an obscure place where you and your lover can exchange vows like no one's watching, I'll be there! Whatever your dream is, I want to make it happen for you. So, what are you waiting for? Let's do it!

Q & A

HOW SOON WILL I RECEIVE MY EDITED PICTURES?

Depending on what I am photographing, the timeframe varies! I will always give my clients a general idea, however, so there are no surprises. My timeframe for delivering photos is generally 4-6 weeks. If you are wanting to put a rush on your delivery, we can definitely discuss a rush fee.

DO I OWN THE IMAGES YOU DELIVER?

Yes! Upon receiving your final payment, I will send you your own, personalized online gallery that you will have full access to for 6 months. You will be able to download all images from this gallery.

DO YOU RETOUCH YOUR PHOTOS?

I typically leave your skin looking natural; however, I will smooth or brighten the skin slightly, and will spot conceal for things such as acne spots, creases or patches in makeup, cuts or something like a fuzz on your face. I believe in your natural beauty, yet will always clean up anything that isn't permanently a part of your body — unless, of course, you tell me other-

DO YOU SHOOT ANYTHING BESIDES WEDDING?

Absolutely, YES! I am excited to photoshoot anything involving people. I specialize in weddings and boudoir, but I excel at capturing families, maternity, milestones and headshots—

WAIT, DID YOU SAY BOUDOIR!?

I sure did! Boudoir is always an exciting photoshoot to do, whether it's a gift for yourself or for your significant other. Boudoir allows me to capture the magic of your more intimate self in a classy way. If a boudoir shoot is something you are interested in, let me know!
