NEW Package Less than 2 Hours of photography, I offer you the "Shoot & Scoot" Package: If you are just looking to do something quick, and easy, without having to fork out a lot of money on your big day. I'm here to help, with my most affordable package for those who don't have a lot of time, or money, but still want professional photography results, without having to ask some unqualified person to take on the challenge. If you can fit me in, in under 2 hours of total photography coverage time, we can make this happen, plus a Website Gallery: \$500.00

Package #1: Up to 4 Hours of Photography Coverage: which includes all the above-mentioned, plus up to 30 images for touch-ups, plus a Website Gallery: \$1000.00

Package #2: Up to 6 hours of photography coverage, with up to 40 touch-ups, plus a Website Gallery: \$1,400.00

Package #3: Most of my competitors offer an 8 hour package, resulting in couples trying to cram a 9 or 10 hour day into an 8 hour package, and end up booking extra time for a premium price. Hence why I offer Up to 10 hours of Photography Coverage with up to 60 touch-ups if needed, which includes a 1 Hour Engagement Shoot at the location of your choice, a 16x20 print for your guests to sign at your reception, plus a Website Gallery: \$1,800.00
