We have books but we have yet to find a great printer here in Mexico. That is why it is our policy to give you every photo in High Resolution so your friends and family do not need to pay for re prints and or copies of your photos, A huge savings. We don't believe in charging our customers for the equivalent of WalMart prints and cheezy albums. We have the highest quality of equipment and want you to blow your photos up as big or as small and as many times as you like. After all they are yours. We can suggest many printers from where you are from.

Book your wedding coverage with a Video Package or Boudoir session and receive a 10% discount off the total package cost.
