Hello bride-to-be and congratulations on your engagement!!

This is an amazing and incredible season of life that you just stepped into, and I pray that it is everything you ever dreamed of. I am Danielle, the lady behind Danielle Ann Photography, and I am unbelievably excited that you found me. I believe that getting to know my clients is the best way to ensure an amazing wedding photography experience.

A little about me...

1. I have a 3 year old daughter named Aria. She is the funniest thing I know :)
2. My personal relationship with Christ is the most important thing in my life and I personally enjoy growing and walking in my faith journey.
3. I just got engaged to the love of my life and best friend, Tyler!
4. I started this business in the summer of 2013 after working at a studio for 2 years.
5. I live in Sioux Center which is located in Northwest Iowa.
6. I love to spend time with my family and friends while talking, snacking and enjoying a glass of wine.
7. My favorite color is white and my house is covered in it :)
8. I love bonfires, pizza and watching the Bachelor.
9. My love for photography started way back when I was young and I received my first 'point & shoot' camera. This included lots of photos of my Barbies and silly photo shoots with friends.
10. I love creating beautiful images, but more importantly, I love serving my clients during one of the greatest seasons of your life!!

YOU MIGHT BE A *#dapbride* IF...

You believe in planning a marriage far more beautiful than your wedding.

You value real honest moments over the ones staged to perfection.

You're giddy about marrying your best friend.

You care less about your dress getting dirty and more about making memories.

You love bright, naturally lit images that aren't overly edited.

You want a First Look with your groom so you can soak in the entire day together.

You love all the details but don't get too caught up in them.

You're game to sneak out during the reception for some golden hour portraits.

You have a soft spot for fresh flowers and greenery.

You don't want just a photographer capturing your love story, but a friend.

THE Wedding EXPERIENCE

MY PHILOSOPHY I'm sure your mind is racing with all that needs to be planned. It's all very exciting but it can also be somewhat overwhelming. You're planning the day that you've been anticipating your whole life and yet you only get one shot at it! By the time you get the hang of it, the planning is over! My goal as a wedding photographer is to make this one aspect of the planning process simple. Photography is more than just images, it's a real part of your day. Not only do you deserve beautiful images, you also deserve an amazing photographic experience!

When my couples feel comfortable and relaxed in front of the camera, that results in genuine, joyful images! When I think back to my wedding day, I remember amazing memories.... but most of the moments I remember really well are the instances that were captured in my pictures. They are priceless to me. Our photographer made us feel so incredibly comfortable and for the first time, I experienced what it feels like to be in front of the camera as a bride. Your wedding day is an experience from beginning to end and your photography is a huge part of that experience..... shouldn't it be fun? and enjoyable? and natural? I think so! My goal is to not only capture memories for my clients, it's to create an experience that they will never forget.

MY PROCESS One way I ensure that my brides and grooms enjoy the BEST photographic experience possible is through forming a relationship with my couples. I try my best to make sure that all of my couples are the PERFECT fit for me before officially booking. A bride and groom should connect with their photographer, trust their photographer and be EXCITED about the whole process with them.

After booking, I love getting to know my clients through an ENGAGEMENT SESSION that helps them warm up to the camera so that they are ready to rock and roll on the wedding day! By the time the wedding day arrives, my clients feel more like friends, and that creates a safe and relaxed environment for photography!

I'll check in a few times in the months leading up to your big day. I love to share planning tips and see if there is anything I can help with! Around the 3-month mark, I'll send a wedding day questionnaire or we can meet to gather all the details to start drafting the timeline. From there, we will work together to finalize all the odds and ends and be ready to knock your wedding out of the ballpark!

Now that you know a little bit about my approach to the wedding day, you can continue reading to find more detailed information about THE WEDDING EXPERIENCE!

Fagis,

THE WEDDING
EXPERIENCE

ENGAGEMENT SESSION I am more than willing to travel for engagement sessions! I actually love it when my couples ask me to photograph them in a location that means something special to them! I book engagement sessions at least two months in advance and up to 60 minutes of travel are included.

DIGITAL FILES I average 75-100 images per hour that I'm shooting. I love delivering my client's files quickly and easily via an online gallery. You will have the ability to print, share and download your images as much as you want. I believe in freely sharing my work because that is what I would want if I was in your shoes!

SHOOTING STYLE I love being both interactive and discreet throughout the wedding day. There will be parts of the wedding day when I will need to be in control in order to accomplish everything that needs to be done while staying on schedule. There will also be moments when you shouldn't even know that I'm there (the ceremony, during dances and toasts, etc.). I teach my couples how to pose, model and interact during their engagement session so they are naturals on the wedding day and don't need quite as much instruction from me!

BOOKING Once I have answered any questions you may have had and you decided that my Wedding Experience is exactly what you're looking for on your wedding day, the next step is a booking proposal. I will create an online proposal that will walk you through the package. When you're ready, you can save your date by signing your contract and paying your retainer online!

Thank You

I'm so glad you contacted me! Enjoy this season of engagement and get excited about your BIG DAY because it's going to be fabulous! Plan and prepare but always remember that at the end of the day, you're marrying the love of your life and that's all that really matters. Congratulations on your engagement and I look forward to hearing from you! Be sure to visit the BLOG to view my most recent weddings!

xoxo,

Danielle Ann
