## *About Me*

Hi , I'm Katie! Congratulations on your engagement. I'm honored you're considering me to photograph your big day!

For the last eight years I've poured every ounce of my being into my business and I've photographed countless engagements & weddings. I've been able to do this full-time for the last five years and nothing makes me happier!

Please continue to explore the information below. I've done my best to anticipate your questions while also giving you a better understanding of me and what the KB experience is all about!

I strive to make your wedding experience as effortless and enjoyable as possible from the moment you book to the final delivery of your custom leather album.

I enjoy the process of getting to know my couples from our initial meeting, to the engagement session, all the way to the big day! I love capturing the images that tell your unique love story and provide you and future generations wonderful memories for years to come.

## 1. *Consultation*

---

Let's set-up a time to connect in person and chat about your unique vision for your day. We can flip through sample albums and get to know one another!

## 2. *Reserve your date*

---

After your consultation, I'll send over an easy-to-use online software that will allow you to review and sign the contract. Your date is officially reserved! There is a 50% retainer due at signing and the remainder is due a month before the wedding.

## 3. *Engagements*

---

Time to warm up and prep for the big day! We'll select an amazing location together (check out past client sessions for inspiration!) and I'll direct you every step of the way. This is the perfect opportunity for me to really get to know the two of you prior to the wedding.

#### 4. *Wedding day*

Enjoy! We'll have worked out all of the fine details prior to this point. I will direct poses as necessary to get those magazine-worthy images, and in-between, I'll step back and document the natural moments as they unfold, giving you those priceless candid images, too!

#### 5. *Gallery delivery & album design*

Images are delivered 3 weeks following your wedding (be sure to like my [Facebook](#) and follow me on [Instagram](#) for sneak peeks within 24-48 hours)! I'll upload your edited images to an online gallery that will allow you to instantly view, download high-resolution files, and, the best part...share right away with your family and friends! After you get your gallery is when we'll work on the album design.
