Hair services

I work with local hair stylists where I offer a booking services for hair to all my brides. What does the mean? If you want to make it easy and make it a one stop shop for your hair and makeup services, let me know and I will arrange the hair services for you. I will get you prices, get the stylist for you, I will add it to your contract so you only have to sign one contract and you will have your hair and makeup trail all done on the one day. Enquire for more details.
