The Experience
SERVICES GUIDE

The experience

A few common questions and the answers to give you more insight on what to expect in your wedding photography services

Q: What sets you apart from other photographers?

A: With years of training under my belt, I know how to pose and guide clients to make them feel relaxed while looking their very best. I use natural lighting as often as possible and make sure my sessions are intimate & fun

Q: Will we get the print release to our photos after our wedding?

A: Yes! Upon receiving your images, you will also get a full print release. The online gallery service I use is connecting to an amazing printing store that you are welcome to utilize.

Q: Can we add or subtract hours or other services

A: Yes you can! This is YOUR day and I'd love to make your desires come true. In an initial consultation phone call we can go over all the services you are wanting to book. You can even do this after you book!

Q: Will my photos be posted publicly on your site or social media?

A: I respect your privacy and allow each client to decide whether or not they want their photos displayed publicly. I'd love to show off you & your images, if you're game! If not, that's okay, too.

Q: How many images will we receive?

A: In selecting Swift Fox Productions you are choosing a particular aesthetic style so I only give edited high resolution selected files. I aim to have a minimum of 100 edited photos per hour booked.

Q: Will you Photoshop my images to hide any unwanted spots, wrinkles, etc?

A: Minor edits will be made to all of your images, but I believe our imperfections are what make us beautiful & unique. If there are specific edits you want, these will be charged according to the number and complexity of edits.

HELLO FRIEND

I'm Natasha

Hey there. My name is Natasha Lozanoff and I am a wedding photographer showcasing romance, elegance, and YOU. I do not shy away from adventure or new experiences and want to work very closely with you to create and memorialize your once in lifetime experiences. You deserve the best!

I was born in Canada, raised in Hawaii, and educated in the PNW. I have been an ecologist, kayaking guide, climbing guide, and backpacking guide! And a photographer since 2007!

Love Notes

Natasha went above and beyond for our wedding ceremony and reception in Oct. 2021 during uncertainty and chaos. Natasha brought all professionalism from beginning to end! Loved working with her!

Lesila + Sione

We loved having Natasha as our photographer! She gave us the best experience from the start. She was great with constant communication and talking through all of the details. We felt very confident going into our big day and knew that it would come out amazing. Natasha got some great shots, and was so easy to work with the day of. We made such great memories, and so thankful that she did a great job so that we will have those forever. If you're looking for a photographer we definitely recommend Natasha.
