

2019 Wedding Prices

All couples are unique, so it is difficult to give a fixed package price that fits everyone. Along with wedding day photography, we offer a wide variety of albums and wall art as well as video that can include multiple video cameras and drone photography. We prefer a consultation first to discuss exactly what you want and need, then we can give you an accurate quote. However, here are some examples of popular packages that we have created:

MURMUR - \$1800.00

- 7 hours of photography on the wedding day with two photographers
- Digital images from wedding available by download from our client gallery site
- Photo editing and retouch
