CONGRATULATIONS!

You're engaged! You're entering a very exciting time of your life. Now, it's time to plan. But you're not a traditional couple. You dream of "getting away from it all," and taking your wedding with you! Whether your dreams take you to the white sandy beaches of Hawaii, the vineyards of Tuscany, a chateau outside Paris, a tropical paradise in the Caribbean, or the snow-capped peaks of Patagonia, Cari Janssen and the 6 Degrees team can help take the logistical stress out of planning a destination wedding for you and your guests.

HOW CAN WE HELP?

Destination weddings require an impeccable attention to detail and bring a unique set of challenges. 6 Degrees provides concierge-style services for weddings world-wide, including hotel reservations for individuals and groups, travel logistics, securing reception venues, booking plane tickets for you and your guests, and just about anything else travel-related that you can imagine! 6 Degrees will help you create and coordinate the travel logistics of your destination wedding, leaving you the fun things to think about!

Step #1 PLANNING PROCESS

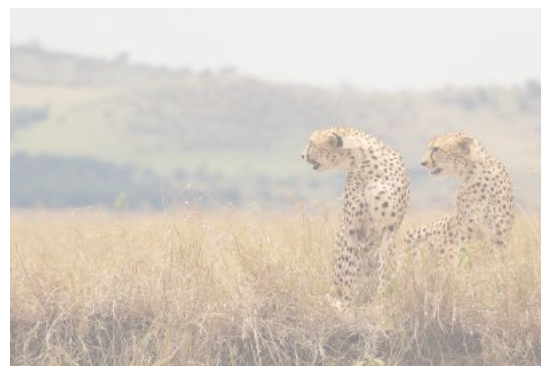

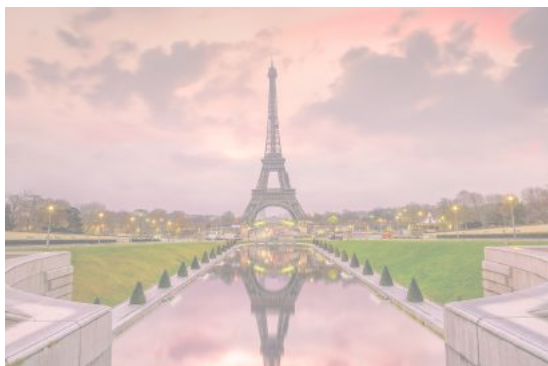

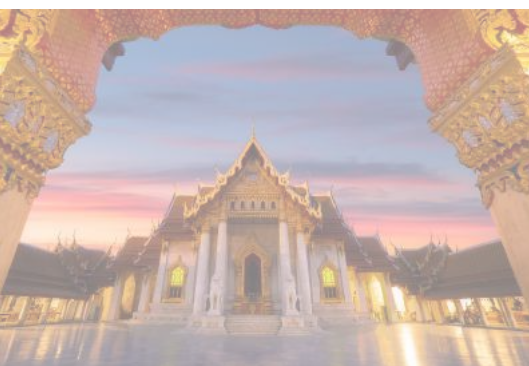

Our goal is to get to know you as a couple, figure out what your "dream vision" looks like, and help you make that come true! That involves a lot of behind-the-scenes orchestration, good ole' fashioned elbow grease, anticipation, and planning hundreds of details. We send the emails, have the phone calls and meetings, and collaborate with some of the finest wedding venues and partners the industry has to offer to ensure your day (or week) runs smoothly.

Step #2 LOCATION, LOCATION, LOCATION

Not sure where you'd like to go? Let's start dreaming together! We know the general managers, owners, and directors of the best properties and suppliers around the world, and our team is constantly on the road visiting new (and familiar) destinations to ensure that we are up to speed with amenities, wedding offerings, food, and activities. We are familiar with many local cultures, and will provide helpful travel tips before you go!

Step #3 "MARKET" YOUR WEDDING

We personalize every step of the way! Whether you have a full pre- or post-wedding trip planned for your guests, or your destination wedding is a one-stop vacation, you have to create a huge amount of excitement around the trip and give your guests FOMO - fear of missing out. We will prepare a personalized packet to tantalize them with colorful images, descriptive details, and a fun itinerary of things to do, catered specifically to your wedding.

Step #4 GUEST COORDINATION

Don't stress about whether your flower girl is going to make it, or if your uncle has a hotel room for the night! We can help you increase the number of people who RSVP "yes" to your destination wedding by coordinating directly with your guests, answering any travel-related questions your guests have (so you don't have to), and booking guests' travel to ensure that everyone arrives on time. In addition, we can facilitate expedited services for your guests in obtaining and renewing passports and securing visas, if necessary.

Step #5 TRAVEL LOGISTICS

We've got you covered from start to finish! From the moment you leave through the day you return home, you can count on 6 Degrees to be there for you, solving any travel related emergencies that may arise!

Step #6 HONEYMOON

What better way to end your destination wedding weekend than with the start of your perfectly crafted honeymoon? We will help design and deliver all the details of your dream honeymoon before you leave for your destination wedding, so everything - from flights to hotels to transfers to excursions and more - is set for some much needed rest and relaxation after your big day! As an added bonus, there is no separate planning fee for couples who plan both their destination wedding and their honeymoon with 6 Degrees!
