

A romantic wedding scene featuring a bride and groom embracing under the shade of a massive, ancient tree. The bride is wearing a white gown and veil, while the groom is in a light blue suit. They are positioned in the lower right of the frame, looking into each other's eyes. The tree's thick, textured trunk and sprawling branches dominate the left and center of the image. The background is a soft, hazy sky with scattered clouds, some of which are illuminated with a warm, golden light from the setting or rising sun, creating a dreamy and artistic atmosphere.
