Hello! Congrats on your upcoming nuptials! I am so excited for you. My intention is to create the perfect ceremony for you and your fiancé and to be there in perfect timing and presence to officiate your wedding on your big day.

I have been officiating weddings for fifteen years now and am grateful to keep doing it!

Please take look at my pricing options below to see which best suits you.

## Services

**Meeting:** Let's meet over tea or coffee and get to know each other. During this face-to-face meeting (or online) we can discuss your needs and wants for your perfect ceremony. You can ask questions, look at example ceremonies and find out all the information you need to have a great wedding! Let's meet!! \$44

**Rehearsal:** Usually, especially if it is a large wedding, we have rehearsal. I highly recommend this for wedding parties of 75 people or more. It is just a good idea to work out any kinks and final details the day, or week, before your big day! \$88

**Ceremony:** Today is the big day. Let's do this!!! I am excited as you and even a little nervous right before. Once we get going though, and we are all together, it flows by so fast and next thing you know you are saying I Do, exchanging rings, if you choose, and kissing! I am so happy for you. \$222

**The Whole Shebang:** This includes the meeting, rehearsal and ceremony! There is a small discount as well. \$333

I also offer customization of the ceremony (\$35), Reiki Prayer Circles (\$40), individual or couple Reiki sessions (\$60) as well as Intuitive Readings using Tarot, animal, dream, fairy and angel card decks (\$45).

Remember your marriage license! It must be from the same state you are getting married in. In Tennessee, you can pick up your license up to 30 days before you are getting married. You must both go to a county or city clerk office to do so. After the marriage ceremony, I will sign and send it unless you prefer to do that yourself.

*Thank you!!!!*
