Serving Phoenix & Northern AZ!

A Note About Pricing....

Wedding Rates-A usual wedding reception lasts at least 4 hours and includes music as guests arrive, a grand introduction of the bridal party, cocktail and dinner music, the traditional dances, music for cake-cutting, bouquet and garter tosses, the dollar dance, and at least two hours of dancing and partying after dinner, and the grand send-off.

Your Ceremony can last from 15 minutes to one hour. Usually, there is music 1/4 hour before as people are arriving and being seated, processional music for the bridesmaids and bride, a song during the ceremony, a recessional when the bride and groom walk down the aisle together at the end of the ceremony, and 1/4 hour of music afterwards as people are milling about and photos are being taken as guests head to the reception.
