# Add-Ons

## **Props & Things Package      \$50**

- With this add-on we bring a trunk full of props that will fill up two 6-foot tables! We will also purchase specific props that match your theme and no extra charge.

## **Video Message                      \$50**

- Perfect for weddings or graduation parties. After the guests take their pictures they have the option to leave a 30 second video message. Within a week of the event all the videos are edited into a YouTube video with your songs of choice. This is a great keepsake that you will watch again and again!

## **Inflatable LED Booth              \$100**

- An incredible 8-foot inflatable cube with LED lights that fade and flash along with rotating colors. Yes, it's as awesome as it sounds. This is perfect for large group photos of up to 15 people and will quickly become the talk of your event.

## **Standard Scrapbook Album      \$50**

- We provide a 12" memory album with unlimited inserts and page covers. We print an extra photo strip for the album and encourage guests to leave a note, draw a picture, or write words of encouragement.

## **Deluxe Scrapbook Album      \$100**

- In addition to the Standard Scrapbook Album you get to choose the album color, custom designed pages, multi-colored pens, and themed stickers, flags, buttons, etc. It adds fun and excitement to each page!

## **Custom Home Touch Screen      \$40**

- Customize the touch screen of the photo booth with your company logo, your wedding portrait, or images and themes for your event. We can match it to your photo strip or create something completely different. The design possibilities are endless!

## **Two/Three Photo Strips              \$20/\$35**

- Want to give your guests an option on what their photo strip will look like? Are you throwing a party for multiple people? We will design a second or third photo

strip for your guests to choose from on the touch screen menu. This is a great way to keep guests coming back to take more pictures!

**Flash Drive    \$10**

- Don't want to wait 48 hours for your pictures to be uploaded to our website? This is a cheap way to get all of your pictures AND photo strips immediately after your event!

**Idle Hours    \$25 per hour**

- Often at events it is necessary to setup extremely early or the booth may need to be closed during a portion of your event. We won't count that hour against you. We will gladly setup early or hang around while you celebrate!

**Custom Backdrop    \$200**

- We will custom design a 7x7 backdrop that's yours to KEEP. Perfect for a step and repeat photo booth where your company logo can be displayed, your website, or create a custom themed image for your guests to stand in front of. Ask about how you can get \$75 off this product.
