Wedding Photography Pricing

Oh hey! I'm Marketa

Thank you so much for considering me as your wedding photographer! I am super passionate about helping you feel beautiful on your wedding day!

I am a 26 year old full-time wedding photographer based in Chicago, IL. My husband and I live in the heart of River North in a high rise with our 3 cats; Luna, Mia, and Jasmine.

My little family makes me so incredibly happy.

I love my couples, hearing their stories, and capturing their happiness through my lens. I pride myself in photographing true, genuine emotion. I want to capture all the crazy, calm, and in-between moments that truly matter to YOU.

The Wedding Experience

What I can offer you is a once-in-a-lifetime experience. An experience that I believe you won't find elsewhere. You will receive honest, beautiful, timeless moments to be cherished for a lifetime, all while enjoying every part of the process.

I am the ultimate third wheel and promise to take the best care of you on your special day. I'm not just your photographer; I'm your friend, hype-woman, dress holder, dance partner, whatever you need me to be!

On your special day, I will fix your hair, tell you to move your hand here or there... I am very much a perfectionist, and I take pride in the little details. You just can enjoy your day and relax, knowing I got you. These images are lifelong memories for you to cherish, and it's an absolute honor I get to be the one to capture your special moments!
