ADVENTURE SESSION***

ENGAGEMENT & COUPLE SESSIONS

This is a relaxed session where I get to capture your feelings for each other. We can venture outdoors to somewhere beautiful, either to a place that has meaning to the both of you or I am happy to suggest some amazing locations. I want you both to be relaxed and have fun, so dress code is completely up to you. If your an outdoor couple, bring your hiking boots and lets go out on a hike and have an adventure. If you are already one of my wedding couples, these shoots are a fabulous way to become accustomed to my style and of course being in front of the camera.

Some of my past wedding clients have used their engagement photos that I've done their wedding as signing boards or printed into guest signing books.

These couple shoots are not limited to wedding clients, they are also really lovely anniversary, valentines day and birthday gifts.
