passionate
storytelling
& bold romance
for *untamed souls*

*the magic
is in the details...*

Hey, I'm Julia!

A creative soul with a love for romance.

I believe in capturing your memories authentically and creating imagery that is a true celebration of your love.

Your wedding will be blissful and enchanting. It will be filled with magic, romance, tears of joy, euphoric emotions, and heartfelt speeches. You will be relishing in each fleeting moment, as I'll be by your side photographing each of them. I believe these moments, even the smallest of them, are what mean the most.

The fact that I get to stop time through still images and deliver memories that will last a lifetime means more than you may ever know.

Your wedding experience means as much to me as your final gallery. I not only promise to make you feel your best and help you in your wedding planning journey, but I'll be here for you for years to come!

My couples mean the entire world to me, so I'll make sure you feel like yourself behind the camera. You are going to laugh (a lot), your smile will be genuine, and we are going to have SO MUCH FUN on your wedding day.

I can't wait to bring your love story to life.

"capturing love in its truest form"

“

Words truly cannot describe this wonderful woman. Julia is not only the best photographer I have ever seen, BUT she is also the most amazing person I have ever met. I was lost when searching for a photographer, yet just happened to come across Julia. Immediately, I knew I wanted her as my photographer. She was instantly warm, kind, and passionate for her work and for capturing love in its truest form. She was always there for a shoulder to lean on, to give advice, and to answer any questions. Make this your easiest decision and chose Julia!
