GREEN HAVEN Ceremony Spaces

GREEN HAVEN IS A COMPLETELY OUTDOOR VENUE

GREEN HAVEN OFFERS MANY CEREMONY SPACE OPTIONS!

Separated into six different clearings, Green Haven boasts amazing views, in all directions, of luscious foliage and charming flower beds. Every ceremony space holds a defining landmark that adds to its character and appeal. Couples can declare their lifelong commitments beneath a mighty sugar maple tree called The Tree of Life or along the picturesque apple orchard. Elements such as stone owl statues give a touch of whimsicality to The Owl Glade, a delightful and private space enclosed with wooden fencing. Other attractive locations include The Overlook, with an elevated view of wooded lands and rolling hills in the distance. This secluded spot is punctuated by tall evergreen trees and a cabin, possessing a peaceful ambiance ideal for nature-loving couples. Another romantic option is a rustic wooden arbor above a beaten path featuring soft-lighting, and protection from mild weather conditions to create a serene atmosphere. Every glade and meadow is sheltered from view by a natural boundary of shrubs, flowerbeds, and trees, offering couples privacy and a hushed environment.
