2019-2020 PRICING GUIDE

“Cara did a beautiful job photographing our wedding day. She made us and our families and friends feel incredibly comfortable. She has a creative eye and an ability to capture the feel of the day and the space extremely well. Cara was a joy to work with throughout every step of the process - from the initial meeting to the moment she delivered us the photos. She's very professional and has such a warm, fun personality. I would highly recommend Cara to anyone needing a special moment captured. I'm so thankful she was there with us on our wedding day!”

"Can I rate Cara a 100% please? She is insanely creative and has the best eye for detail! I love how accommodating she is- she got our weddings photos back quickly and they are gorgeous. She worked with us on our unconventional destination elopement and was so easy to communicate with. She is very professional yet personable and so very kind. I have never felt like a photographer could capture the true essence of who my husband and I are - but Cara did it! Whatever your needs are- wedding, portraits- pick Cara!"
