

LIGHT UP THE NIGHT WITH STYLE TWIN CITIES!

Twin Cities Wedding DJ packages

Peak Entertainment is a professional Twin Cities Wedding DJ service. Our Twin Cities DJ services include; Professional DJ & MC Services, sound system, dance & stage lighting, projector & screen for video presentations, custom playlist, and a personal consultation. We can provide ceremony music, cocktail & social hour music, and dance music.

Our process starts with getting to know you. At Peak we understand that every event is unique and should reflect your style. The only way to ensure we capture this is by getting to know you.

We'll provide a project management outline to help you think about and plan for the elements of entertainment that will make your event unique and special.

If you have an interest that's not listed get in touch...we're open to creative ideas.

Other Twin Cities Party DJ services include; Professional DJ & MC Services, sound system, karaoke, comedy, themed parties, event singer, cocktail & social hour music, lighting, projector & screen for your video presentation, custom playlist, and a personal consultation.
