Things that *Could* Cost Extra

For most events, the above rates cover it all! However, some events may require additional time and/or labor, which will incur additional charges:

- Drive time ***significantly*** over one hour each way between Fayetteville, NY (near Syracuse) and your venue
- Outdoor events: Overhead shelter required, rain or shine. If an existing structure (pavilion, tent, etc.) is available for Peter's use, there is **no extra charge**. Otherwise, **$50** fee for Peter to bring and set-up his own tent.
- Multiple Locations: If you need sound in two different spaces at the same venue (ceremony in one area, cocktail hour and/or reception elsewhere), there may be a **$200** charge for time/labor to add a second sound system.
