Pricing for our weddings is broken down into three categories...

## GUEST OVERNIGHT STAYS

During the months of May, June, September and October, the price is \$79 per person per night, and typically paid for by the guests. In July and August, the price is \$89 per person per night. Breakfast the following morning is also included in these prices. The 17.5% tax/service fee is not included in these prices. Children (ages 3-15) are charged at 60% of the adult prices. Guests 16 years of age and older are considered adults, and there is no charge for children who are under 3 years old.

The wedding family is charged the full amount for children until the adult minimums are met. Once the minimum is met, there is no charge for the wedding couple.

## FOOD COSTS

The price for food is \$219 per person and is typically paid for by the wedding family. This includes the following:

Cocktail Hour following the ceremony with open bar, hot and cold hors d'oeuvres, which are passed and/or set at stations depending on selections.

Reception where guests will be served dinner, including: salad, appetizer, main entrée (a choice from a total of 3 selections, 2 main entrées plus a vegetarian option), and sides (starch and vegetable). While we do not make wedding cakes, we are happy to cut, plate, and serve at no additional fee as well as make a dessert for you. Champagne is poured for the toast and wine is poured throughout the dinner meal. Coffee and tea are served with dessert.

Friday Dinner and Saturday Lunch, both of which include beer, wine, and soda.

There is a 23% tax/service charge on all food prices. Similar to the overnight stays, children (ages 3-15) are charged 60% of the adult prices, guests 16 and up are considered adults, and there is no charge for children who are under 3 years old.

The wedding family is charged the full amount for children until the adult minimums are met.
