

Our Workshops run \$99 - \$249. If you'll reach out directly and use the **Promo Code:**
WEDDING SHERPA
You'll pay the \$99 fee and that includes your Plus One!

We believe you'll get all you need to plan your day, including a Thumb Drive with our working documents and more. However, if at that time you want to hire one of us for Day-Of or Full Service Planning you may consider that.

THIS IS NOT A BRIDAL SHOW. THIS IS NOT A PITCH FOR PLANNING BUSINESS.

We are Educators and are trying to serve a part of the wedding market that is being ignored. We're here to help you prepare to climb the wedding mountain!

Our next workshop:

A flyer for a workshop titled "WEDDING PLANNING BASE CAMP". The background is a photograph of a mountain range with snow-capped peaks and a rocky foreground. A person is seen from behind, carrying a large white bag on their back, walking up a rocky path. The text on the flyer includes:

WEDDING PLANNING BASE CAMP
Wedding planning can sometimes feel like climbing a mountain....
Let us be your *Sherpas* to guide & protect you through the process!
