

MusicMasters

All the COOL TECH STUFF

Ceremony Sound Systems (\$150)

A little smaller and more portable than our main systems but ideal for providing the soundtrack for your ceremony. It comes included with mic(s) for the officiate along and/or readers/vocalists. Customize the processional/recessional music that's perfectly you.

LED Uplighting (\$25/per)

Really transform your reception (or ceremony) space giving it the "wow" factor for you and your guests. Choose from a limitless set of colors to compliment your color scheme.

Cake Lighting (\$60)

Your cake looks especially great when you see it in the shop. On site, the lighting will be way different often dimmer thus making whites off white, colors muted and details lost. Lighting the cake is an easy way to display the glory it deserves.

Satellite Speakers / Subwoofers (\$100)

Satellite speakers are the perfect solution when you need sound/music in a separate area i.e. cocktail hour. Subwoofers enriches the overall sound by reproducing the low notes (bass, drums, etc.) giving your favorite music a thump come dance time.

Dance Floor Wash Lighting (\$100)

Want to add a little pizzazz and excitement to the dance floor without getting overboard? Our dance floor wash system adds just the right touch of light that changes color to the beat of the music.

Custom Digital GOBOS (\$150)

Custom Digital GOBOS are where we your names, monogram, initials, or really just about anything you desire is projected on the dance floor or wall. Digital means we can use color or keep it classic white. We'll even design the artwork for you at no extra charge.

Audio/Video Projection & Screens (call for pricing)

Perfect for when you want to present a slide show or video with your guests. We'll even make a professionally produced montage that will be a cherished keepsake for a lifetime. 60" HDTV's with stands available as well.
