

Elegance % Quartet

Pricing Details

We strive to be as transparent as possible with our prices so you can plan ahead and know what to expect.

GENERAL PRICING:

Prices below reflect the **combined average cost** for weddings and private events that we have played over the years. Exact quotes depend on venue location, time and date, complexity of the program, and A/V upgrades.

Ensemble	1 Hour	2 Hours	Additional Hour
Quartet	\$1000	\$1500	+\$400
Trio	\$800	\$1200	+\$300
Duet	\$600	\$900	+\$200
Solo	\$400	\$600	+\$100
6 Piece Band	\$1500	\$2200	+\$600

AUDIO/VISUAL UPGRADES:

We offer a variety of options for A/V solutions. From wireless microphones and sound amplification, to electric instruments, video projectors, and up-lighting. We often partner with other preferred vendors to accommodate even the most complex and sophisticated setups for a truly professional presentation. Prices for each of the upgrades below start at \$200 and increase based on complexity, guests size, and if a dedicated sound or lighting engineer is needed on-site. Some of our most popular upgrades are listed below.

1. Electric Strings + Rhythm Pedals (BeatBuddy)
2. Wireless Microphones System for Wedding Ceremonies or Presentations
3. Amplification for Acoustic Instruments
4. Up-lighting of Performance Space
5. Video Projection and Visual Effects
6. Party Favors CDs or Thumb Drives
7. Song Request Station for Live Music (JukeTune)

IMPORTANT:

Quoted dates are tentatively reserved on a first-come-first-serve basis; however, we unfortunately cannot reserve these dates indefinitely. Therefore, when another party poses an interest in a date that is not yet under contract, our procedure is to present the initial client with a deadline to solidify their date with a contract and deposit, which allows us to give the interested party a firm response regarding our availability.

Pricing Details

MISCELLANEOUS:

It is helpful to provide as much information as possible about your event. We aim to provide an accurate quote that does not include extra charges later on. Here are a few common items that may influence the final quote.

1. TRAVEL: If applicable, travel is calculated as a round-trip from the 19102 area code of Philadelphia, PA. Distance and travel time are both taken into account and prices range from \$0.35 - \$0.50 per mile, per person. Venues located within 25 miles of Philadelphia usually are not subject to travel fees. Ask our event manager for a specific quote.

2. SONG REQUESTS NOT IN CATALOG: Special song requests outside of our catalog are considered on an individual basis. Elegance Quartet reserves the right to limit the number of special requests for one event. Not all published music can be adopted for strings. If sheet music is available for purchase online, the price is around \$10/song. If sheet music is not available, then we would have to make a custom arrangement starting at \$50 per song, provided that the song is available to hear on YouTube or if you have a CD or mp3 file of it.

3. CREDIT CARD FEE: There is a 3% fee when paying your remaining balance on a credit card. This fee is not applicable when paying the initial 20% deposit to reserve the date. Sending in a check for the remaining balance is recommended as a "free" option.

4. PARKING: You may be responsible for any additional parking and permit fees the performers may incur on the day of the event. Elegance Quartet will present a valid receipt for the charges in question. The majority of venues have their own parking lot, so this applies only to venues in the city where complimentary valet is not available. We may also include the parking fee in the original quote.

5. OVERTIME: The contracted time of performance for Elegance Quartet is the declared START and FINISH time in the agreement. If the event goes past the contracted FINISH time, the first 15 minutes will be considered "grace period" and will not be charged. If the performers are asked to stay beyond the "grace period", an additional \$50 per performer will be charged for every 15-minute increment. When deciding on overtime charges, Elegance Quartet will take under consideration all aspects of the event, such as actual start time, unforeseen delays, gratuities, etc., and adjust the charges accordingly.
