Time overlap options

photographer 1 (from package options), photographer 2 with set time. This a common example of time coverage of your Wedding day:

Once a session is booked, you will receive additional information via email.

All Session Fees Include a pre-shoot phone consultation where we will discuss the details of your session. The Session Fee does NOT include prints, only digital images. These can be purchased à la carte or as a Collection and can be discussed in detail at consultation or through email. The Session Fee due within 10 days of scheduled event and is non-refundable, should you need to reschedule due to illness, please contact Maggie as soon as possible.

Other types of event photography are available upon request.
