

Extended Play Photography

Documentary Wedding Photographer

BASIC--\$3000

- Two photographers, covering bride and groom preparation (getting ready), ceremony and reception (no time limit, we stay until your party is over).*
- High-quality edited digital images— you will have access to our client proof page, from which you can download all images for printing, sharing, and keeping.

PREMIUM--\$3500

- Basic*, plus:
- \$500 wedding album credit. We will design the album for you, with lots of input from you.

DESTINATION

- If you are doing a destination wedding and would like us to document the entire weekend/week, we would love to tag along. Things work best if we have easy access to you, so we ask that you house us where you are housed, and get us access to wherever you are when you want documentation.*

* If outside of Albuquerque, we can discuss travel and lodging costs.

Of course, we can customize each package to your needs, so please contact us for more details so we can find something that works for us both! We look forward to working with you and meeting you very soon!
