WEDDING PLANNING SERVICES

We offer packages based completely around your needs. Here are a few options, but of course we are not limited! Each package (like your wedding) is planned completely to your taste and needs.

The Style Kase

What do you want your wedding to look like? What would you like the concept to be? You don't know? Let us help you! Let's sit down and chat! Once we get a good feel of what you like and don't like we will create digital inspiration boards. We want you to feel fully prepared, (with your 'Kase full of Style') to meet with vendors and have your vision made into a reality.

This includes a 2 hour meeting, a ceremony concept, and rehearsal concept.

\$250

Kase Styling

Okay you have your Style Kase, but now what? Let us figure out the details! We will coordinate what is needed to make this vision come to life. We will create custom tablescapes, signage, displays, and whatever else is needed to make your day a day to remember. It's all in the details! Let us obsess over them so you don't have to! We will coordinate with your vendors (florist, rental companies, photographers, etc...) to make sure that your wedding is everything you want it to be. We want your wedding to be fully of your personal style! This includes unlimited emails, phone calls, meetings and on-site day of styling.

\$1000

The Ultimate Kase Styles

Let us take care of EVERYTHING. Let us come up with the concept, coordinate with the vendors, execute your vision, and take all the pressure off of you! You can sit back, enjoy your engagement, and let us handle the rest.

\$1500-\$3000 depending on your needs.
