

Pricing Information

All Day Coverage

With two collections you can choose the coverage that you need. Coverage includes getting ready through all of your key reception events including at least an hour of dancing. Both collections include the full-resolution image files. You can download them from a private online gallery that you can also share with your friends and family.

Single Photographer Coverage

\$2950

Wedding day coverage by Joe – great for smaller weddings, especially those that take place in one location.

Two Photographer Coverage

\$3550

Wedding day coverage by Joe along with 8 hours coverage by a second professional photographer – ideal for larger events.

Popular options include engagement portraits, custom designed albums, prints, and photo booth services. Contact me for a full pricing guide.
