# The Knot Awards

The Knot awards the top 3% of wedding professionals on their Network (which consists of approximately 300,000 local wedding professionals) with a very prestigious award each year called the Knot Best of Weddings Award. We are proud to have won this award for the past nine years in a row. Typically a company may win one Best of Weddings award in one category (ex. DJ, Photography, etc) and in one territory (ex. Hudson Valley, Manhattan, etc). We are so very proud to have won **10 Awards** this year! What makes this so special is that we won in **four territories** which include, Manhattan, Northern/Central New Jersey, Hudson Valley, and Connecticut, and we have also won in **four categories**, DJ, Band, Photography, Flowers. This accomplishment makes us extremely unique. Thank you to all of our couples who have made this possible.
