TRUE | LOVE

Hello. Nice to Meet You.

FATHER | HUSBAND | ARTIST

I'm a loving father and devoted husband. I married my best friend and together we made the most amazing daughter. Between the two of them, I stay pretty busy.

I thrive on creativity and some time ago, I chose photography as my medium and haven't looked back. For me, having a camera in my hand is liberating and grants me the freedom to capture special moments I see in the world around me.

I especially love meeting new people. So, if you're an awesome couple that values photography as much as I do...then I would love the opportunity to meet with you. Lets get together over a great cup of coffee, talk about your wedding, and start a creative adventure together.

A man and a woman are shown in a close embrace on a set of stone steps. The man, on the left, is wearing a dark blue suit jacket over a light blue button-down shirt. He is looking down at the woman with a smile. The woman, on the right, has long blonde hair and is wearing a red and black patterned top. She is looking towards the camera with a bright smile. The background consists of stone steps and some fallen leaves, suggesting an outdoor setting.

PHOTO BOOTH

Let the hilarity ensue and spice up your wedding reception with a sweet photobooth for your guests.

In my years of shooting weddings, I've never seen anything attract guests like a photobooth. In the past, these things have attracted more guests than than the dance floor!

Lets be clear, this isn't your typical booth where you climb in a box and close a curtain. This is a full studio setup complete with a backdrop measuring up to 9 feet wide, professional light setup, and a table of hilarious props. And, for a little icing on the cake, you get high-res files of every awesome group included with your wedding images.
