Some Notes:

- An extra hour of coverage can be added to any package for \$500.
- We LOVE to travel, but sometimes this may incur an additional fee. Please inquire.
- We think Engagement Sessions are important, but if you're not interested in one, this may be exchanged for a 'Trash the Dress' session. Either session is approximately 1 hour and includes 50+ high resolution files. Free within 40 minutes of us.
- 'Social Media Sized' Files are between 600 and 900 pixels on the long side and are only suitable for printing up to 4" x 6".
- 'High-Resolution' Files are generally over 6,000 pixels on the long side (unless the image is cropped during our editing) and typically look sharp when printed in any size.
