

# Wedding Packages

Hello Lovely!

My name is

*Claire Murray.*

I've always been a dreamer, an encourager, a creator and a celebrator.

I am passionate about learning, loving my clients well and delivering light, airy and romantic images.

I believe that Jesus has given me this passion to spread kindness, celebrate joy, and serve my clients with grace and love. I am constantly in awe of His grace and seeking to live for the kingdom's cause.

---

I can't wait to come along side you  
in your wedding hopes and dreams.

Let's grab a cup of coffee soon!

xo, *Claire*

# The Wedding Collections

include a complementary engagement session, with the option to add a second photographer or additional hours of coverage based on the package you choose! No matter which collection you choose, you will always receive your finished high resolution images with print release and an amazing experience.
