FINE ART WEDDING PHOTOGRAPHY

THE *wedding* GUIDE

THIS DAY, I WILL MARRY MY *best friend*

THE ONE *I laugh* WITH, *Dream* WITH,

Live FOR,

Love

HELLO & WELCOME!

We are Vic and Sasha Barrera, a husband and wife, award winning, fine-art wedding photography team. We proudly serve but aren't limited to Central and Southern California regions. Our passion for travel, culture and love stories is the perfect blend to be able to capture and document these once-in-a-lifetime occasions for best friends in love. Our work is inspired by film photography and combines a mixture of photojournalism, traditional and modern styles. We enjoy minimal and simple color enhancements because this is what gives our work an authentic quality so that it doesn't take away from the moment captured.

Capturing the small moments throughout your wedding day is essential to our craft of story-telling. To us, the best photos we have taken were the ones that were unplanned. After the cake has been eaten and the flowers have wilted, all that's left are your photographs. Photographs that capture the essence of your wedding day which will allow you to relive your wedding day again and again.

It is a privilege and joy for us to encapsulate these images for you to enjoy for ages to come. We look forward to documenting your love story and sharing our craft with you.

Cheers to the start of your legacy.

With love,

Vic and Sasha Barrera

Frequently Asked Questions

Q. WE WANT TO BOOK YOU? HOW CAN WE BOOK?
A. Yay! We are so excited you would like to book with us! We just need two things from you to proceed with booking us. Booking us is a two-step process. The first step is signing our wedding day contract. We will email you a link to this. The second thing we need from you is a retainer fee which is one-third of your collection total. This retainer fee will go towards your final balance as well as secure your date with us. After this, we can celebrate with a happy dance because that's one thing checked off your to-do list!

Q. WHEN IS THE FINAL BALANCE DUE?
A. All fees are due 30 days before the wedding. We also offer flexible monthly payment plans with financing if you are looking for smaller payments per month. Please send us an email if you would like us to draft up a payment plan that fits your needs.

Q. WHAT IS THE TURNAROUND TIME FOR PHOTOS?
A. You can expect to receive your engagement photos in 1-2 weeks and your wedding photos 4-6 weeks. The link will be sent via email. Please let us know if you need help navigating around your gallery. We are here to help!

Q. HOW MANY PHOTOS CAN WE EXPECT FROM OUR WEDDING?
A. We guarantee 100 photos per hour from your wedding. So, for example, if you hire us for 8 hours, you can expect approximately 800 photos. And maybe a few extra surprise photos because who doesn't love surprises?!

Q. AM I ABLE TO DOWNLOAD/PRINT THE PHOTOS FOR MY PERSONAL USE?
A. Absolutely! Once you gain access to your exclusive online gallery, you will be able to view, share, download your photos and order products! Additionally, we highly encourage you to print your photos. We believe that printing your photos gives you a tangible element that cannot be replicated with digital.

Q. DO YOU TRAVEL FOR ENGAGEMENT SESSIONS?
A. We certainly do! We travel for weddings as well. Travel fees are determined by mileage, airfare, lodging etc. Please email us for further traveling information on destination weddings and engagement sessions.

Reviews

"Sasha and Vic are the BEST! They are extremely professional, both have a great "eye," and really do their very best to ensure that the clients they serve are satisfied. I first saw their work when I was a bridesmaid in my friends' wedding, and noticed their work was impeccable. I was so happy when we were able to book them as a vendor at my wedding! I would highly suggest them to anyone, and feel grateful that they are forever a part of our special day..."

"Sasha and Vic are such talented and amazing team. They are very professional; their work is beautiful. I would highly recommend them to anyone who is looking for a great wedding photographer."

-Simply Chic Rentals and Events

"We LOVE working with Sasha and Vic! If you're a bride considering Sasha's wedding photography and want to know if you will have a good experience with her rest assured she will take care of you! Vic and Sasha are such sweet vendors to work with on a wedding day – so comfortable and easy-going and so respectful of the specialness a wedding day needs. They're not the paparazzi type who get in the way of a wedding, but they capture the sweet candid moments that you don't even realize they were there for! With such sweet personalities, Vic and Sasha have proven again and again how much they care for their couples and we are proud to know them and hope you choose them for your wedding!"

-Evermoore Films

"Sasha and Vic were an amazing addition to our wedding team. The images we received were gorgeous. They were flexible and professional. I would highly recommend them."

-Kyle and Braden

"Before booking with my wedding planner, I did my own research on photographers and stumbled on Sasha's work. I immediately took down her name. When I booked with my wedding planner and received a list of suggested vendors, Sasha's name came up under, "suggested photographers". But, of course, it was no surprise because her photography skills are amazing! She was sweet and patient from the first time I got in contact with her, up until the day of our wedding day. Vic was her assistant that day, and now that they have teamed up, it makes me truly happy to see them capturing memorable photos. I'm still in love with the fine details that they captured. Very flexible with payments and always responds in a timely manner. You will not be disappointed!"
