

## **IDEAL MEDIA LIGHTING & DRAPE**

### **Descriptions**

Lights can and will always add a more desirable atmosphere to any event. Whether it's 1 light or 50 lights, when placed in the right position(s), it will enhance the overall mood of any event.

### **Wireless LED Uplighting-**

Up-lighting a room can illuminate a room to the color you desire. The end result will give the entire space a glowing, ambient atmosphere. Most common uses are for weddings, parties, and corporate events where there is a color theme. Anyone can use up-lighting to turn their entire room into the color(s) of their choice or have the entire room strobe/fade randomly or to the sound of the music. Can also be manipulated manually with a Lighting Controller.

### **Pipe and Drape-**

Drapery is used for backdrops and to cover the walls of any venue depending on the height and width. It creates an elegant and romantic atmosphere which will look amazing to everyone who sees it. If Drape is coupled with uplighting, it gives a "dream wedding" effect and you'll be happy with any photos taken in this draping environment. Drape fabrics come in sheer or solid and can be used for many different purposes for events.

### **Monogram Projection-**

Perfect for Weddings and Corporate Events where initials, names, dates, logos, and pictures can be illuminated onto a wall, ceiling, or floor in the color of your choice. Supply a photo or draft of your design (names, initials, and/or wedding date) and we can have it ready within days. Monograms/gobos come in 1 color or multi-colored displays.

### **Pin Spot Lighting-**

With Pin Spot LED Lighting, you can highlight any subjects for the duration of your event. These lights can be pointed at guest tables, head tables, centerpieces, podiums, cake tables, gift tables, stages, disco balls or dance floors. Our Pin Spot fixtures come in white, yellow, red, blue or green colors.

### **Spotlight-**

Can be used for anyone who will be the center of attention. Most common uses are for speakers, hosts, and wedding reception first dances, last dances, mother/son, and father/daughter dances.

### **Party lights-**

The party lights are multi-colored, flashing, sound-activated lights that will definitely enhance the area for dancing. These lights are perfect for the dance floor and motivate people to dance by transforming the space into a party atmosphere.

**Bed of Clouds Effect-**

Bed of clouds effect is perfect for grand entrances or for special dances. It's ideal for weddings, parties, concerts, and any event where this effect is desired. It literally looks like your walking on clouds and will always create amazing photos.
